PLACE: Boston Free Library--Route 219--Boston, New York

AGENDA: Regular Business Meeting--Discussion Of Fly for fun Meet on Jun 4th.
Finalization of Flying Field Rules--Movie--Courtsey of U.S.Air Force.

- 1) Bill Eberhart has taken the time and effort to completely up-date and re-write our club field rules and regulations. These rules were discussed at the last meeting and will be voted upon by the membership at the meeting on March 31st.
- 2) The Flying Knights first of three "FLY FOR FUN" meets will be held on Sunday June 4th, 1972. The rain date will be the following Sunday June 11th. Fun and prizes for all who register to fly. Registration fee will be \$1.00 per person to off-set a small portion of the over-all costs. Flying will start at about 11am and continue to 5pm. John Dschuden, our meet chairman, is working out the details concerning the anticipated events, sport pylon, team racing, etc.
- 3) SPECIAL announcement by Doc Meyer and Sons that welding, brazing and cutting services, On small jobs only, will be available FREE to all Club Members. Please don't everybody rush at once. Call Frank Meyer Jr. at 992-4422 for an appointment. Owner must be present during the operation. No drop-offs are allowed. Mufflers and landing gears are their specialty.
- 4) From the secret work-shop of Tom Stanes, word has Leaked out that Tom is temporarily pushing aside the balsa chips and shavings from his in process, scratch-built, P-47 Thunderbolt to make room for the Construction of a VK NAVAJO. Tom is planning to have his new ship ready for sometime early in the 1972 flying season.
- 5) NOTICE: If you have recently purchased a package of DuBro 1/8" Diameter Wheel Collars you may find that the "ALLEN" screws do not fit the threaded hole. If you have a set of these defective wheel collars bring them over to Jerry's Hobby Supplies and I will gladly re-drill and re-tap them to the proper size, free of charge, no matter where you bought them.
- 6) The Dayton Heat-Gun is available for the weeks of April 3, 10, 17, and 24th. Call Jerry at 649-6216 or sign-up at the next meeting for a one week loan of the heat gun and sealing iron. FREE to all Club Members.....
- 7) The Flying Knights welcomes one of its newest and youngest club members, Bobby Eberhart. Bobby is the oldest son of Bill Eberhart who is one of the Club's founding Fathers and cornerstones of the Flying Knights.

- 8) The Hamilton Radio Control Club, Ontario Canada is sponsoring their 2nd annual RADIO CONTROL EXHIBITION on May 27th & 28th. The event will be held at the Wentworth Curling Club building on 2100 Main street West, Hamilton, Ontario. A Brochure detailing the events and a map will be available at the Meeting on the 31st. For additional information you may contact Harold Jones-610 Braemore Road, Burlington, Ontario, Canada. (phone-(416) 637-6884).....

As a special service for all club members and beginning with this issue, you will be able to place a "CLASSIFIED AD" in our Club Newsletter for a nominal fee of \$.50 for thirty words or less. If you have something of value you would like to sell or trade, one of the best ways to spread the word is thru the Club News Letter. The deadline for placing your AD is one week prior to the upcoming meeting. Call Bill at 627-5943 or Jerry at 649-6216. All ADs are not edited and are printed exactly as received. All proceeds go to the Flying Knights treasury.
